Volunteers: Jeff Kristoff, Matt O'Donoghue, Debbie Linder, Amanda Kelly and MD aka "My Dog": Chief Morale officer of the CMS timing crew who spent some of her final hours helping time this race, never resting for a moment as up until the end she put a smile on the face of every runner and volunteer that saw her. The perfect runner companion, she never turned down the opportunity to pose for a race photographer or be pet by a random kid. She also was known to steal a donut or two. RIP MD.
